† Percent Daily Values based on a 2,000 calorie diet.

** Daily Value not established.

Other Ingredients for GS Omega 600: Gelatin, glycerin, water, vitamin E (as natural d-alpha tocopherol).

Contains: Fish (anchovy, mackerel and sardine), vitamin E from soy.

Other Ingredients for GS D3-5000: Safflower oil, extra virgin olive oil, gelatin (bovine), glycerin, water.

Other Ingredients for GS CurcuEase: HPMC (vegetable capsule), vegetable stearate.

Other Ingredients for GS Broccoli Seed Extract: HPMC (vegetable capsule), stearic acid, vegetable stearate.

Other Ingredients for GS L-Glutamine: HPMC (vegetable capsule), rice flour, vegetable stearate.

Free of: Milk, eggs, shellfish, tree nuts, peanuts, wheat.

Warning: Contains Ashwagandha Root. Do not use if pregnant or lactating.

*Sulforaphane Glucosinolate is produced under US patents:

5,725,895; 5,968,567; 6,177,122; 6,242,018; 7,303,770 and patents pending.

Directions: One packet daily or as directed by your healthcare practitioner.

Each packet contains:

2 GS CurcuEase: works by inhibiting the synthesis of prostaglandins, thromboxanes and leukotrienes that adversely affect muscle, joint and connective tissue.*

1 GS D3-5000: supplies vitamin D which is essential to the body's absorption of calcium and has been the subject of numerous studies for its effect on the immune system by promoting phagocytosis and immunomodulatory functions.*

1 GS Omega 600: provides 600 mg of ultra-pure, molecularly distilled, natural marine lipid concentrate sourced from fish caught in cold, deep sea waters.*

1 GS L-Glutamine: is one of the most abundant amino acids in the bloodstream and is transported and metabolized in the majority of tissues. Glutamine is an important amino acid when the body is subjected to trauma and/or metabolic stress.*

1 GS Broccoli Seed Extract: contains high amounts of the heavily studied and multi-patented ingredient sulforaphane glucosinolate¹, found in broccoli and broccoli sprouts. Sulforaphane glucosinolate¹ offers powerful support for total body detoxification, improved immune system response and optimal joint health.*
