## 3 Probiotic Strains, 3 Lines of Intestinal Defense\*

GS Flora Balance is a breakthrough combination probiotic formula providing a concentrated synergistic spectrum of *Saccharomyces boulardii* (SB), two strains of *Lactobacillus* and *Bifidobacterium*.

This formula provides three lines of defense in one capsule by offering protection from pathogens with SB and at the same time protecting the intestinal tract through the restoration of beneficial intestinal flora.\*

The three bacteria strains in this formula are proven to be resistant to gastric acidity and bile salts.\*
